

The LARK Society for Chamber Music anticipates a limited number of openings on the LARK Board next year - for people who love chamber music and the Portland String Quartet, and have time to commit to the work the Board does on behalf of the PSQ, for whom LARK is the support group.

Here's some information about us:

- Our mission is to promote chamber music and music education in Maine through the Portland String Quartet or successor chamber ensembles.*
- Members attend early evening Board meetings 10 months a year, and serve on committees that meet as needed; Quartet members attend Board meetings as non-voting members.*
- All Board members make a personally significant financial contribution to the organization.*
- Board members attend events and participate in the work that makes them possible—locating sponsors, advertisers and reception hosts; and helping to make events happen by attending and assisting at concerts, educational events, benefits and receptions.*
- We are an informal group, and have a good time, while working to accomplish the group's goals.*

If you do not have time to serve as a Board member, but would like to help on an occasional basis, several opportunities exist to help before or after concerts, in exchange for free admission.

To explore these options, or for more information, please fill out the form below, and mail it to LARK Society, PO Box 11, 04112, or email us at lark@larksociety.org, or phone us at 761-1522.

Thank you!
